

## Broodmare Sires on the Rise

So far this year, 56 broodmare sires have been represented by their first black-type winner and two of these sires have gotten two.

**Silver Charm**, the star of the 1997 Triple Crown season with wins in the Kentucky Derby and the Preakness S. (both gr. I), and grade III winner Accelerator, who also finished second in the grade II 1997 Wood Memorial, are the broodmare sires fortunate to have their first two stakes winners already.

Appropriately, Silver Charm's first stakes winner appeared on the first Sunday in May, though not at Churchill Downs. The 3-year-old filly Sapphire Sky took the Bouwerie Stakes for New York-breds at Belmont Park. She is a daughter of Sky Mesa. Less than five weeks later, on Belmont Stakes day, Adhsilver, out of the Silver Charm mare Silver Chieftress, proved best in the Hoist Her Flag Stakes at Canterbury Park.

Silver Charm is a grandson of Buckpasser and the pedigrees of both Sapphire Sky and Adhsilver reinforce that influence. Sky Mesa hails from the same La Troienne female line as Buckpasser and also carries Buckpasser himself in his pedigree (as the second damsire of A. P. Indy). Adhsilver is by the Buckpasser great grandson Adhocracy and is, therefore, one of the rare stakes winners bred on the direct Buckpasser/Buckpasser sire-line cross.

**Accelerator** got his two stakes winners even more quickly. Me the Sea and G T, a 3-year-old gelding by Dance to Destiny, won the Bold Ruckus Stakes at Woodbine June 10. Before the end of the month, Decelerator became his broodmare sire's second stakes winner by taking the Debutante Stakes in her second start at Churchill Downs June 27. Decelerator is a 2-year-old daughter of Dehere.

Northern Dancer inbreeding is prominent in the pedigrees of both stakes winners. Me the Sea and G T is out G T's Miss Gretch, who is inbred 4 x 4 to Northern Dancer through Accelerator's granddam Dance Number and through the female family of Lady Gretchen's broodmare sire, Akureyri. Decelerator is inbred 4 x 5 x 4 to Northern Dancer through his sire Dehere, a tail male descendant, through Dance Number, and through Somethingfabulous, the broodmare sire of Decelerator's dam Paris Rose.

### OTHER BROODMARE SIRES OF NOTE

Lane's End Farm's **Smart Strike** is the damsire of only five stakes winners thus far, but they are of exceptional quality. The Mr. Prospector stallion pulled off a rare double this year as the damsire of both the Kentucky Derby winner Mine That Bird and Queen's Plate winner Eye of the Leopard. Mine That Bird is by the Unbridled grandson Birdstone, while Eye of the Leopard is by A. P. Indy, who also stands at Lane's End. Daughters of Smart Strike have also produced the 2009 stakes winners Cammy's Choice (by Take Me Out) and Euphony (Forest Wildcat), a seven-time stakes winner, most recently of the grade III Arlington Matron.

**Kingmambo**, another Lane's End sire, pulled off his own rare double as a damsire with new grade/group I winners on two continents July 5. Gozzip Girl had been knocking on the grade I door all spring and finally broke through with an impressive win in the American Oaks Invitational (gr. IT) at Hollywood Park. In Europe, the 140th Deutsches Derby (gr. I) fell to Wiener Walzer (GER). Both Gozzip Girl and Wiener Walzer are by Dynaformer, who has also sired the 2003 English stakes winner and group I-placed Ocean Silk out of a Kingmambo dam. (See Close Encounters on page 15.) Daughters of Kingmambo have now produced six grade/group I winners in North America, Europe, and Australia. 🐾
